

Domestic Abuse Awareness

1. Domestic abuse is a “family matter” and the community should not interfere in family matters.
 True False
2. Domestic abuse affects only a small percentage of people.
 True False
3. Only women are abused by men.
 True False
4. Only low-income families and minorities experience domestic abuse.
 True False
5. Abusers are violent in all their relationships.
 True False
6. Domestic abuse is caused by mental illness.
 True False
7. Domestic abuse is caused by alcohol and drug use.
 True False
8. Abusers are violent because they cannot control their anger and frustration.
 True False
9. Therapy will stop the violence. If s/he goes to therapy, it will be safe at home.
 True False
10. Boys from violent homes will grow up to be batterers and girls will be victims.
 True False
11. Even if s/he is violent, it is better for the children to have both parents. Children aren't affected by the domestic abuse unless they are actually abused.
