*Thank you
for supporting
survivors!*

More survivors are reaching out to Emerge.

The number of people accessing emergency shelter is soaring due to the roll out of a new risk assessment tool used by local police. The tool gives those at the greatest risk of serious injury or death more immediate access to Emerge services.

They need hygiene items.

While survivors and their children focus on healing, you can help ensure their basic needs are met. Here are the most critical **new, unused** items needed:

- **deodorant**
- **toothbrushes and toothpaste**
- **tampons**
- **baby wipes**
- **diapers** (size 3T to 6T)
- **natural / ethnic hair products** (leave-in conditioner, boar bristle brushes, wide-tooth combs, hair oil).

Can you help?
